## **Performers:**

**Alizé C** - Alizé has worked with Erickson for several years through their association with Mrs. Olson at Sierra Vista High School (SVHS). Alizé would like to thank her teachers who have helped her improve as a performer, and her parents and siblings for being her cheerleaders on and off stage.

**Blaise E** - Blaise is contemplating a career in singing. He takes every opportunity available to perform, learn, and grow as a musician. He was asked to sing in last year's talent show at SVHS. He is also skilled at guitar. He has worked with Erickson for three years.

**Izzy H** - Hi, my name is Izzy Hubbard and I am seven years old. I have been playing piano and having lessons taught by the talented Mr. Travis Bernau for over a year. I love music it lights my soul!

**Clara K** - Clara is nine years old and likes to sing, play soccer, and watch Jake Paul on YouTube.

**Mira K** - Mira is seven years old and likes to play piano, play soccer, and watch Chad Allen on YouTube.

**Chloë Mae K** - Chloë was born and raised in Las Vegas, NV. She is a third grader at Frias Elementary School. She loves Star Wars, dressing up, and all things Disney. She is excited to be performing in her first recital tonight.

**Jezelle M** - Jezelle is a sophomore at SVHS. She recently played the lead female role of Ti Moune in *Once On This Island*. She also received a superior (highest) rating this year for her solo *Neue Liebe* by Mendelssohn.

**Adrian M** - Born April 2nd, 2002, living in Las Vegas with my twin brother Dominic, we went to Ries Elementary School, then to Cashman Middle School where my interests sparked in piano and singing. I also learned to play the alto saxophone. Now, I go to Las Vegas Academy of the Arts (LVA) as a choir major. Some of my influences are Billy Joel, Styx, Queen, and Claude Debussy. Before taking lessons at age 11, I was self taught, teaching myself basic chords and scales. Since then, I've become better and more knowledgeable but still have much to learn. I look forward to becoming the best musician I can be.

**Dominic M** - Dominic has been learning piano from Travis for over two years. He enjoys all styles of music from Classic Rock to Classical. He's a freshman at LVA majoring in choir. He says, "Music is basically my whole life and I don't know what my life would be if it wasn't". He's really talented and very expressive as a musician, he hopes someday to be at least HALF as good as some of the big names out there.

**Hailey P** - Hailey is a senior at SVHS. She is a very active member in the choral department as well as other groups on campus. She has performed as a soloist and choral soloist. She received a superior (highest) rating this year for Solo & Ensemble Competition for singing "The Little Horses".

**Agraj V** - My name is Agraj. I am 10 years old. I was born in India. I started playing piano in January 2017. I hope that I will become a professional piano player someday. My other hobbies are playing tennis, swimming, singing Indian classical music, and playing with my five year old brother.

**McKenna W** - McKenna is a sophomore at LVA. She has studied with Erickson for over a year. In that time, she's gained full access to her range as well as a variety of colors she can use in her singing such as sadness and happiness. She is very excited for what's to come.
